

**Fort Wayne Community Schools  
Notice of Public Hearing for Focus and Priority Schools**

**Anthi Career Center Auditorium  
1200 Barr Street  
Fort Wayne, IN**

**February 6, 2014, 6:00 p.m.**

FWCS will hold a public hearing to gather input from parents and the community on how to strengthen our schools. The public hearing is required under Indiana state law for schools placed in the Priority category based on ISTEP+ results from the Spring 2013 test. These schools are Bloomingdale, Northcrest, South Wayne elementary schools; Miami and Shawnee middle schools; and South Side and Wayne high schools. FWCS officials will use the meetings as an opportunity to talk with parents and community members about how teachers and staff are working to improve academic achievement for all students. There will also be time for parents and community members to offer feedback.
