Disposal of  
Elmhurst

Dr. Robinson presented the following recommendation concerning the Disposal of Elmhurst

Subsequently, the property was listed for sale and offers were accepted through July 13, 2017. Having received and reviewed those offers, the District advises that the real estate be sold to the highest responsive offer, Hanson Aggregates Midwest LLC.

This Board Recommendation moves the process of disposing Elmhurst forward. Because this Board used the broker process to dispose of the real estate, details about the other offers received will be made publicly available after closing.

The grounds cover 23.07 acres and include 12.252 of vacant farmland to the west. Elmhurst has been vacant since it closed at the end of the 2009-10 academic school year due to consolidation and building-site conditions.

Questions will be addressed by David Amen or Kathy Friend.
