Consent Agenda

A motion was made by Anne Duff, seconded by Tom Smith, that the following consent agenda items be approved: Approval of Minutes – Regular Meeting, September 25, 2017; vouchers for the period ending October 9, 2017 and the payroll for the period ending September 15, 2017 and Personnel report. Roll Call: Ayes, unanimous; nays, none.

Public Hearing on the 2018 Budgets, Capital Projects Plan, and the School Bus Replacement Plan

Dr. Robinson presented the following regarding Public Hearing on the 2018 Budgets, Capital Projects Plan, and the School Bus Replacement Plan.

A public budget presentation was made at the September 25, 2017 Board of School Trustees meeting. All nine Board adopted funds and proposed budgets were discussed, and estimated tax rates were reviewed. The capital projects plan and the bus replacement plan were properly advertised on September 26, 2017 in both newspapers. The budget was submitted to the Indiana Gateway on September 26, 2017 for public information.

According to Indiana law, the school corporation must conduct a public hearing on the budgets, the three-year capital projects plan and the twelve-year bus replacement plan. A hearing is scheduled for this evening's meeting of the Board of School Trustees. The intent of the hearing is to allow Board members the opportunity to receive community input. Board members will be asked to vote on these items on October 23, 2017.

This is the appropriate time for members of the public to address the Board regarding the 2018 budgets, the 2018-2020 Capital Projects Plan and the 2018-2029 School Bus Replacement Plan.

There were no speakers. A motion was made by Glenna Jehl, seconded by Tom Smith, to close the hearing. Roll Call: Ayes, unanimous; nays, none.

2017-18  
Special  
Education  
Grants

Dr. Robinson presented the following recommendation concerning the 2017-18 Special Education Grants:

**RECOMMENDATION:** It is recommended that the Board approve the acceptance of Special Education Grants from the Indiana Department of Education for the school year 2017-18.

**RELATED INFORMATION:** The Individuals with Disabilities Education Act, IDEA 2004, requires that after the base payment allocations are provided, additional funding is awarded to each district based on public and private school enrollments within the local school jurisdiction and according to the number of private school enrollments within the local school jurisdiction and according to the number of children living in poverty (National School Lunch Act participants). Funds are used to support salaries and fringes of approximately 126 staff members. These non-competitive grants are in addition to the Special Education Foundation payment.

For FWCS, the Part B Special Education Grant amount for the 2017-18 school year is \$8,496,277.00, an increase of \$72,273.00 from last year. The Preschool Special Education Grant is \$293,334.00 a decrease of \$3,349.00 from last year.

These non-competitive grants are managed by Nikki Sprunger, Director of the Department of Special Education and support District Goal I: *Achieve and Maintain Academic Excellence*.

Questions will be answered by Nikki Sprunger.

A motion was made by Tom Smith, seconded by Jordan Lebamoff, that the recommendation concerning the 2017-18 Special Education Grants be approved. Roll Call: Ayes, unanimous; nays, none.

Comments

Board Member Maria Norman spoke of her visit to Wayne New Tech. She found it to be an amazing experience, interacted with students and was impressed with the school, students and faculty.

Board Member Ann Duff participated in a Huff Post panel discussion about vouchers. Anne felt that most of the comments were anecdotal evidence and not facts, and that we need to continue to tell our stories loud and often.

Board President Julie Hollingsworth reminded us of Principal-for-a-Day next Thursday. Julie also spoke regarding the new State Board of Education rule that allows new schools only to choose how they will be graded – on growth, performance, or both. This is not a fair and equitable rule. If FWCS were allowed this choice, and chose growth, our schools would have 35 As, 8 Bs, and 5 Cs. We are doing a very good job.

Dr. Robinson reminded the Board of the Community Engagement Project training this week and of the five upcoming Community meetings. These meetings will give the community a peek at what we are doing, what we plan on doing, as well as an opportunity for community members to give input. The result will be an improvement and revision of our balanced scorecard and also the creation of a dashboard.

Next  
Meeting

The next regular meeting of the Board is scheduled for Monday, October 23, 2017 at 6:00 p.m. in the Lester L. Grile Administrative Center.

Signatures

Documents to be signed by members of the Board were the Regular Meeting, September 25, 2017; vouchers for the period ending October 9, 2017, payroll for the period ending September 15, 2017 and Application for Common School Fund Loan.

Adjournment  
and Dismissal

There being no further business and no speakers, upon a motion by Tom Smith, seconded by Jordan Lebamoff, the meeting was adjourned and dismissed at 6:31 p.m.
