- Implemented “Go Green” and standards tracking

# Increase Academic Achievement

## Teacher Support

- Extended school day allowing for embedded professional learning
- Added Instructional Coaches
- Conducted teacher daily snapshots, focused feedbacks, held evaluation conferences providing support as needed
- Developed School Improvement Plans (SIP) through the work of the Quality Improvement Team (QIT)

# Theory of Change Questions

1. What is the current situation that we intend to impact?
2. What will it look like when we achieve the desired results we set for ourselves earlier?
3. What do we need to do to achieve that?
4. What behaviors need to change for that outcome to be achieved?
5. What knowledge or skills do people need before the behavior will change?

# Initiatives

## New

- Developed an early graduation process
- Increased ECA waiver requirements
- Began process to implement a PE waiver

# Initiatives

## New College and Career Ready Related

- Restructuring summer school
- Enhancing the South Side **International Baccalaureate** program by adding the **9<sup>th</sup> and 10<sup>th</sup>** grade Middle Years Programme (MYP)
- Increasing dual credit courses and college connections through the start of two “**Early Colleges,**” one at Wayne and one at North Side
- Increasing **online course** offerings through three online programs that provide course offerings K-12, advanced placement, SAT and ACT prep, and **virtual courses.**
- Collaborating with Allen County Juvenile Center to implement Check and Connect

# Q & A
