 Sibling Name: _____ Grade Entering _____
 Sibling Name: _____ Grade Entering _____

AGREEMENT:

- Transportation will not be provided for students choosing a school outside of their attendance area.
- Once a school choice is accepted or declined, the student's name is removed from the waiting list.
- Students who are accepted into a Program of Study through the lottery process, who live outside the no transportation zone for the specific school, but within FWCS boundaries, will be provided transportation.
- Students enrolled in Program of Study classes who live in the attendance area school in which the program is located, will be provided bus transportation if they live outside the no transportation zone.
- Students who are accepted through the Lottery, into a high school for reasons other than a Program of Study, will not receive bus transportation even if they are taking classes in the Program of Study.
- **Students who live outside FWCS boundaries may attend FWCS schools, based on a school's space availability, with FWCS students having priority.**
- FWCS has the authority to deny a lottery application if the applicant has been **suspended or expelled** during the **twelve month period** preceding the lottery application.
- Special education students with transportation in their IEPs who select a school outside their assigned attendance (IDT) area, waive their right to transportation to their school choice.

Parent/Guardian Signature _____ **Date:** _____

OVER

When choosing a high school, you must designate either a traditional program or Program of Study. Programs of Study require a 4-year commitment or student will return to their attendance area school. **If choosing a Program of Study, write the program number (1-6) on front side.**

1	North Side – Early College: Global Studies/World Languages – This Early College program collaborates with Vincennes University and incorporates global knowledge into courses to enable students to be able to work, live and communicate in a global society. The emphasis is on developing an understanding of how the world’s people and institutions are interconnected and how critical global economic, political, technological, environmental and social systems operate interdependently across the world. Students are able to earn a 30 credit hour certificate through this program.
2	Northrop – Project Lead the Way: Engineering – The PLTW focus is on real-world learning and hands-on experience to engage students in engineering, biomechanics, aeronautics and other applied math and science areas. The students learn through activities-based, project-based and problem-based learning, which creates an environment for applying engineering concepts to real problems.
3	Snider – Project Lead the Way: Biomedical – This program is geared toward students contemplating a career in one of the health fields ranging from nursing to physical therapy to becoming a dentist or doctor. In addition to the rigorous coursework, students have opportunities to participate in internships in various medical, therapeutic or diagnostic fields.
4	South Side – International Baccalaureate – A rigorous pre-college program that can result in a diploma that is recognized by many universities internationally, and increases student’s eligibility for scholarships. The IB Program seeks to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. South Side has offered the IB Diploma for 19 years and remains the only school in northeast Indiana with this prestigious program. The IB Diploma Program is for grades 11 and 12 and the Middle Years IB Candidate Program is for grades 9 and 10.
5	Wayne – Early College: Business – The Early College Program partners Wayne with Ivy Tech to provide a rigorous Business Education program with dual credit opportunities in Business as well as a number of core courses like English, mathematics and social studies, a Wayne student in the Early College program will be prepared to achieve success in the business world. Students begin earning college credits through Ivy Tech as early as their freshman year and build toward an Associate’s Degree over their four years.
6	Wayne – New Tech Academy plus PLTW Biomedical and PLTW Engineering – New Tech Academy is a national demonstration site for its outstanding use of project-based learning. Students are engaged and challenged daily as they are enrolled in integrated classes using new technologies. Students learn in an innovative and professional environment, fostered by the use of advanced learning methods and technology.

Lottery applications can be turned in at any FWCS school or delivered to the Family and Community Engagement Center, 230 E. Douglas Ave., Fort Wayne, IN 46802 or faxed to 260-467-1974. The lottery will be held at the Family and Community Engagement Center on Jan. 19, 2018 at 9 a.m.
