~ Thursday, May 28th ~ Last day of Instruction (No more work assigned to our Foxes)

Parents, it is critically important that during this final week of school that our Foxes remain engaged in virtual learning and completing classroom lessons daily. We are relying on you to be the bridge between Franke Park and home by continuing to monitor and assisting students with completion of learning tasks. At minimum students should be checking and completing assignments posted on LMS pages (<https://www.fortwayneschools.org/weekly-lessons>), watching our YouTube channel (https://www.youtube.com/channel/UCG4FrujJCMmXN_cENUUPm6Q), reading every day for 30 minutes and practicing their Six 6'c (character education, citizenship, collaboration, communication, creativity, and critical thinking).

Life can be nerve-racking right now. Make sure that you read the article I posted on Twitter. It is a great read and hopefully it will provide some additional strategies to support us, and our Foxes, during this period of so many unknowns. I am thankful for our Franke Park community and miss seeing our Foxes, you and our staff on a daily basis. If you need to reach me just call my office number **(260.467.6929)**, I check my voicemail every hour. Thank you for supporting our Deep Learning School & FWCS!

Virtual hug from me to you!

Serving You,

Dr. H

PS: "It's a great day to be a Fox!"
