Every Saturday from 9:00-11:00am, we distribute fresh produce, dairy and baked goods to all in need of food assistance. Each week, more than 40,000 pounds of food are distributed through Saturday Morning Helping Hands.

Participants must provide their own containers for the food (example: box, laundry basket, wagon, cart, etc.). Take great care when walking or driving in the parking lot as traffic can be very busy. A few basic questions are asked for demographic purposes only (example: number in household, zip code).
