WELCOME BACK LANCERS

Mr. Jones' Corner

Lakeside Families,

We are almost to the end of the 1st quarter and it's with excitement I write you this October letter. Students and staff have shown a tremendous resilience thus far as we are coming to a close of the quarter. This week we will begin mandatory study tables where we support ALL students who need the support, but especially those that are on the bubble and/or failing. Simply put, teachers and administrators will be available to support ALL students. Once the quarter is completed, we will have a few things to celebrate student success, such as our quarterly Lancerpoolooza where students earn an opportunity to win prizes based on their grades, attendance and behavior. Also we have honor roll breakfast where we invite all students and families based on academic performance to our building to celebrate. For high honor students, it has been my honor and privilege to take students to a specialty place like laser tag, bowling, pizza party etc. to express my gratitude for their performance. Reading has continued to flourish at Lakeside. Last week we were able to meet all students for data talks. Hopefully that information reached you as well and you had an opportunity to discuss with your student their goals moving into quarter two. Please sign and tear off the area so that your child can receive an out of dress pass! As always if you have any questions, concerns, or praises please don't hesitate to share.
