Athletic Equipment Policy—Student Athlete Responsibility

General Equipment Policy

- Athletic equipment is property of Miami Middle School and is to be used solely for competing in an athletic program. It is not to be used for any purpose other than team games/practices.
- You are responsible for all lost or stolen items.
- Do not alter clothing or protective padding. If this occurs without the approval of the coach, you will be billed automatically.

Equipment Return

- All items are numbered and recorded. It is important that you return the same items you were issued. Even if you loan items to another individual, you are the person responsible for their return. Failure to return those items assigned to you will result in you being charged for the replacement.
