

Logging In Through Clever - ThinkPad

Students using a Lenovo ThinkPad will go to www.Clever.com

Students will click on **Login with Active Directory** and use their FWCS student email address and password to login.

Fort Wayne Community School District

[Not your district?](#)

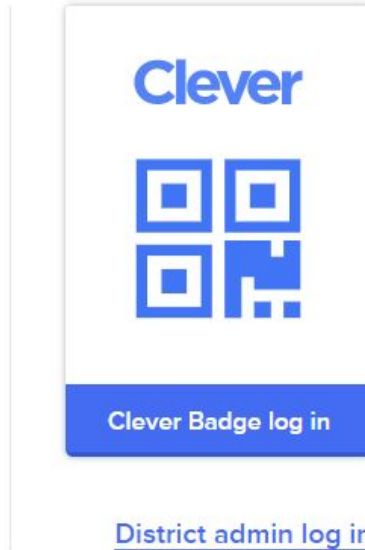

Hints for logging in with Active Directory

Username hint:
Email Address

Password hint:
FWCS Password

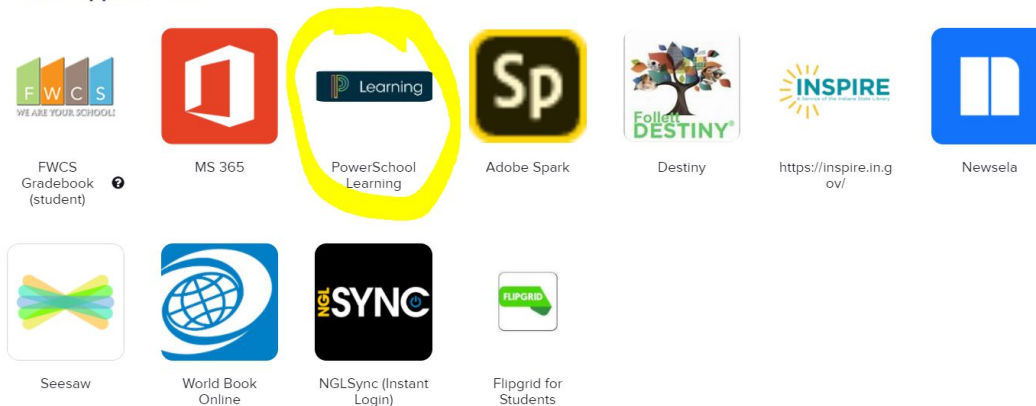

Having trouble? [Get help logging in!](#)

From here students can select the **PowerSchool Learning** page to check assignments from the classroom teacher.

FWCS Applications

Students will be able to access various applications in the same way using Clever.

****Whenever prompted, students should Sign in with Google and use their FWCS email and password.**
