TNT STUDENTS PRESENT ESCAPE ROOM DESIGNS TO ROOM TO ESCAPE PARTNERS

The Towles New Tech Middle School seventh grade students presented escape room designs to community partners at Room to Escape. Their first project of the year, 7th graders utilized their knowledge of Language Arts, Math, Science, and Social Studies to design ideas for potential.

The seventh grade science students have spent the past few weeks working to insure their escape rooms encompassed the needs of the community partner. The students created background stories, a series of puzzles, and a presentation small groups which they referenced the concepts learned during their class studies.

This experience allowed the Towles New Tech seventh grades students the opportunity to practice their oral communication skills as they presented to community partners Jay Hatfield, Kim Hatfield, and Kristi Drillien from Room to Escape. Oral presentation skills are one of five major learning outcomes focused on

within the New Tech Network learning model

Room To Escape is located at 3734 Allen Ave, Fort Wayne, Indiana, 46805. Room To Escape is a real life adventure game designed for small to medium groups. Jay Hatfield and Kim Hatfield are the Room to Escape owners and Kristi Drillien serves as the Director of Operations.

Towles New Tech Middle School is in it's fifth year. Upon completion of their eighth grade year, students will matriculate into the New Tech Academy at Wayne program, which is completing its eleventh year as part of the New Tech Network.

Towles New Tech Middle School is a project-based learning environments where students apply content knowledge and 21st century skills to relevant and authentic situations. If you would like more information about this event, please contact the director, Derek Leininger (derek.leininger@fwcs.k12.in.us) at Towles New Tech Middle School (260-467-4300).
