

Wayne HS Early College

Students in Wayne’s Early College Program will follow a Business Pathway that will offer 30 college credits, which leads to earning a Technical Certificate in Business Administration. Upon high school graduation students may have finished half of an Associate Degree. Below is an example of an Early College student’s schedule in each grade level cohort. (*Dual Credit courses are reflected in (XXX), **Double asterisk courses denote college readiness and pre-requisite requirements). **Subject to change or revision.**
