Weather Emergency Information -
Students

Transportation staff travels roads at 4 a.m. to review weather and road conditions. Information is also received from the Indiana State Police, Allen County Highway Department, Fort Wayne Street Department and the National Weather Service.

News media are contacted as early as possible, usually by 5:30 a.m. So tune in to radio or television newscasts! **FWCS Spanish Closing/Delay-Hotline number is 467-1985.**

Where students are traveling from outside the FWCS district, students are given an excused absence if their home school district decides the weather conditions are unsafe in their area for children to attend school.

DRESS TO FIT THE SEASON.

Wear loose-fitting, light-weight, warm clothing in several layers. Trapped air insulates. Layers can be removed to avoid perspiration and subsequent chill. Outer garments should be tightly woven, water repellent, and hooded. Wear a hat. Half your body heat loss can be from the head. Cover your mouth to protect your lungs from extreme cold. Mittens, snug at the wrist, are better than gloves. Try to stay dry.

ONE-HOUR DELAY: All morning classes at the Youth Life Skills will meet- unless FWCS is closed. Students should report at 9 a.m.

TWO-HOUR DELAY: Morning academic classes at the Youth Life Skills will begin at 10 a.m. Stay tuned to local media – a two-hour delay is called to give us time to assess weather and road conditions. IT COULD BECOME A SCHOOL CLOSING! Please note; if conditions warrant, afternoon classes will be canceled.

SCHOOL CLOSING: No classes will meet; the school will not be open to students. After-school and evening activities are cancelled.

EARLY DISMISSAL: It rarely happens, but if it does, radio and TV stations will be notified no later than 12:35 p.m.

Delays do **NOT** affect the p.m. classes. Students report as scheduled.

For more information about school closing and delays, please check with staff and/or call the **Youth Life Skills' office at (260) 467-6370.**
