TO: Members of the Board of School Trustees
FROM: Mark Daniel
SUBJECT: Appointment of Project Architect/Engineers for ESSER Projects
DATE: September 13, 2021

RECOMMENDATION:

It is recommended that the Board approve the appointment of a project architect/engineer for the following projects at various locations:

Project	Architect/Engineer	Estimated Design Contract Fee	Estimated Construction Budget
Flooring Replacements	Bona Vita Architecture, Inc.	\$92,500	\$1,850,000
HVAC and Ventilation Replacements and Improvements	Primary Engineering	\$1,006,230	\$11,838,000

RELATED INFORMATION:

Indiana law requires that projects over \$100,000 make use of a registered architect or a professional engineer for developing plans and specifications. Project architects/engineers need to be appointed now to allow sufficient time for planning and bidding of the project to ensure construction starts during the summer of 2022.

The projects will be funded from the Elementary and Secondary Emergency Education Relief (ESSER II and III) grants.

Questions will be addressed by Director of Facilities Darren Hess.
