Your Summary of Benefits

- Elective abortions not covered unless otherwise noted in your Certificate of Coverage.

1 We encourage you to review the Schedule of Benefits for limitations.

2 Kidney and Cornea are treated the same as any other illness and subject to the medical benefits.

3 Rx non-network diabetic/asthmatic supplies not covered except diabetic test strips.

Precertification:

Members are encouraged to always obtain prior approval when using non-network providers. Precertification will help the member know if the services are considered not medically necessary.

Pre-existing Exclusion Period: None

This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Revenue Service, we may be required to make additional changes to this summary of benefits.

This benefit overview is for illustrative purposes and some content may be pending Indiana Department of Insurance approval

This summary of benefits is intended to be a brief outline of coverage. The entire provisions of benefits and exclusions are contained in the Group Contract, Certificate, and Schedule of Benefits. In the event of a conflict between the Group Contract and this description, the terms of the Group Contract will prevail.
