WE ARE YOUR SCHOOLS

ELEARNING/REMOTE LEARNING EXPECTATIONS

When in-person learning cannot take place because of inclement weather or unforeseen circumstances, students will learn at home through eLearning or Remote Learning with real-time virtual instruction. Indiana law limits the number of eLearning days schools can have each year.

STUDENT EXPECTATIONS

- On eLearning days:
  - Students are expected to log into Schoology to view instructions and assignments.
  - Students are required to complete all work assigned. Attendance for an eLearning day is based on turning in assignments by the end of the third day after the eLearning day.
  - If a student has questions, he/she should connect with their teacher(s) during the teacher's office hours.
- On Remote Learning days:
  - Students should engage in live, virtual instruction according to the schedule posted by their teacher(s).
  - Students must check in using the Google form for attendance purposes (once/day for elementary; each period/secondary).

TEACHER EXPECTATIONS

- On eLearning days:
  - Teachers will post work to Schoology daily. Assignments will be posted by 9 a.m. for middle school and 10 a.m. for elementary and high school.
  - Teachers will offer office hours at least twice a day (one hour in the morning; one hour in the afternoon) to allow students to ask questions about assignments.
- On Remote Learning days:
  - Teachers should begin teaching virtually by 9 a.m. for middle school and 10 a.m. for elementary and high school and follow the designated schedule.

PARENT EXPECTATIONS

- Parents should ensure their child has an appropriate learning environment.
- Parents should ensure their child is logging on to Schoology daily to access assignments.
- On Remote Learning days, parents should ensure their child has a quiet place, free of distractions to participate in live Zoom sessions.

Technical support for FWCS iPads and laptops is available from the FWCS Help Desk even on eLearning days! Call **467-4357 Mon-Fri, 7 a.m.-5 p.m.**
