TO: Members of the Board of School Trustees
FROM: Mark Daniel
SUBJECT: Appointment of Project Architect/Engineers for the Expansion and Renovation of Levan R. Scott Academy and an Addition to Abbett Elementary
DATE: October 25, 2021

RECOMMENDATION:

It is recommended that the Board approve the appointment of a project architect/engineer for the following projects:

Project	Architect/Engineer	Estimated Design Contract Fee	Estimated Construction Budget
Expansion and Renovation of Levan R. Scott Academy	Elevatus Architecture	\$638,000	\$11,600,000
Addition to Abbett Elementary	Moake Park Group, Inc.	\$143,700	\$2,395,000

RELATED INFORMATION:

Indiana law requires that projects over \$100,000 make use of a registered architect or a professional engineer for developing plans and specifications. Project architects/engineers need to be appointed now to allow sufficient time for planning and bidding of the project to ensure construction starts during the summer of 2022.

The project at Levan R. Scott Academy will be funded from the 2020 School Building Basic Renewal/Restoration and Safety Project (Bond). The project at Abbett Elementary School will be funding from the Elementary and Secondary School Emergency Relief (ESSER) grant.

Questions will be addressed by Director of Facilities Darren Hess.
